### DISTRICT CONVENTION

The **District Convention**, also known as **DCON**, is the annual celebration of the year of service for a district. Key Clubbers from all across the district come together to enjoy inspirational speakers, fun and educational workshops, a dance, and more!

### WHY SHOULD I JOIN?

The experience of being in Key Club is unmatched. In Key Club, you make **new friends, serve your community, and grow as an individual**. By joining Key Club, you are joining a family that strives to build their homes, schools, and communities.

That's **YOU!** The most important component of Key Club is the **member**. All it takes to change the world is one person!

Members belong to a **club**, usually based on their high school. Clubs have their own service projects, fundraisers, and elected officers.

Multiple clubs form a **division**, led by a Lieutenant Governor. These clubs come together for Divisional Council Meetings (DCMs) and service projects.

Multiple divisions form a **district**, which has executive officers. With the Lieutenant Governors, they form the **district board**, which governs all clubs in the district.

**Key Club International** is comprised of the 33 districts, represented in 38 countries. A President, Vice President, and 11 Trustees lead Key Club at the international level by aiding districts while making important decisions for the future of Key Club.

### INTERNATIONAL CONVENTION

The **International Convention**, also known as **ICON**, is the annual celebration of the year of service for Key Club International. At ICON, Key Clubbers from across the world come together to enjoy inspirational speakers, fun and educational workshops, dances, and more!
