

A cartoon illustration of two young women sitting at a desk, smiling and writing in a notebook. One girl has short brown hair and is wearing a blue and pink striped shirt. The other girl has long brown hair tied back with a white headband and is wearing a white t-shirt. They are both holding pens and looking down at their work. The background is a light beige color with abstract white wavy lines. A large dark brown speech bubble overlaps the top right of the image. Inside the bubble, the word "INDUCTION!" is written in large, white, outlined letters. Three yellow exclamation marks are positioned to the right of the word. Below the word, the date "11/09" is written in a smaller, yellow, sans-serif font.
